

Thank you for all your help!

Here are a few of the things that PTA Fundraising has funded this year

The wonderful **trophy cabinets**, **house point collection tubes** and **television** for displaying information to parents have all been funded from PTA funds

Not only are we now busy fundraising for the new Library Bus but look what else we have funded in school - The Literacy Spine for each class room.

PTA funds have paid for a **theatre group** to come into school before Christmas

"A Viking Tale" KS2 play

"The Frog Prince" KS1 Play

And funds have also been provided for...

Forest school storage shed

Please continue to support all of our fundraising events so that we can fund lots more wonderful things for your children and their school.

And please consider joining the PTA as we would always appreciate an extra pair of hands.

You can ask the office to point you towards a committee member.
