

Dear Parents

8<sup>th</sup> February 2019

The Rock UK residential is fast-approaching and we are busy preparing for the exciting week ahead.

The following adults will be accompanying your child on their residential.

#### Year 4 Residential

Monday 1<sup>st</sup> April – Wednesday 3<sup>rd</sup> April

Mrs Sturgess (Year 4 Class Teacher)

Mrs Kidder (Year 4 Teaching Assistant)

Mr Smith (Year R TA)

We know that your child is familiar with the adults accompanying them on their trip.

If you would like to find out more about the Rock UK site, we would recommend viewing their website with your child to help them become familiar with the location and possible activities they may take part in. <https://rockuk.org/centres/frontier-centre/>. We have also done this together in class.

The website gives lots of detail about the various activities of which we will do many, but our exact schedule of activities will not be finalised until we are on site.

We appreciate that you and your child may be keen to know who they will be sharing a bedroom with. Your child has listed three children who they would like to share a room with and we will ensure that your child is with at least one child they have selected as a preferred partner. We will be able to finalise the children's rooms once we are on site. We will ensure that your child is happy and safe for the duration of their stay.

Please do pay close attention to the kit list provided – we anticipate their clothes getting dirty so send plenty of old clothes and a bin liner to put them in.

If your child has any concerns or worries that they have not shared in school, please do talk those through with him/her. If appropriate, please make Mrs Sturgess aware of any outstanding concerns.

All payments should be fully complete by 8<sup>th</sup> March.

Finally, whilst we are away, please ensure you check the school's website for the latest breaking news! 😊

Yours sincerely

**Mrs P Sturgess**  
**Class Teacher**

# KIT LIST

**No bedding is required – all provided at the centre.**

## **Clothing**

We suggest children take plenty of clothing in case of wet and cold weather. Clothing should be old and labelled. Please ensure it is all within one large holdall / medium suitcase and that your child can move/carry this on their own.

### **No Mobile Phones / Electronic Games etc**
