Thank you to the White Horse for not only donating a £1 from every children's meal sold in February but for also hosting a quiz night fundraiser hosted by Richard Hughes for the bus. It was lovely to meet so many of our village community so keen to help us with the library bus fundraising.

Thanks also go to the amazing children at school for their contribution to the new library, they managed to raise via friends and families just over £2000.00 with their different ways of reading, via books, comics or reading eggs.

We loved the bedtime stories celebration evening with the children to say thank you for all their efforts.
