

Baston CE Primary School

Dear Parents and Carers

29th September 2020

Normally at this time of year we would be inviting you to come into school to share key information about forthcoming events for your child/ren. It is unfortunate that at this time - due to COVID-19 restrictions - we are unable to do that.

In order to make sure that we have communicated the information as best we can for you, we have created a number of videos and uploaded them to [our school YouTube Channel, which can be accessed by clicking here](#).

Here you will find our teachers talking through videos providing all the necessary information related to the following:

- Phonics for Year One
- Phonics and SATs for Year Two
- The Multiplication Tables Check (MTC) for Year Four
- SATs for Year Six

Of course - we fully understand that our videos cannot provide the same level of interaction as a face to face meeting, so we would very much appreciate you directing any questions you may have and sending your feedback to pupiladmin@baston.lincs.sch.uk.

While we are asking for feedback, I take this opportunity to let you know that we will shortly be sending out two rather important questionnaires for you to complete. The first is a generic school questionnaire that we send to all families every couple of years. This provides us with your views about your day to day experiences at school and the outcomes are used to inform our school development planning. The second questionnaire is focused on Relationships and Sex Education. We are designing our new policy and would very much like to hear your views.

Please do take just a few minutes to complete each questionnaire when you receive the links. And please be assured that even though we cannot see as much of you as we would like - your views are still VERY important to us.

Kind regards

R Mills
