

## Pupil Premium 2019 - 2020

At Baston CE Primary School we know our children well. We track their academic progress carefully and accurately identify areas where each child may need further support to do well across the curriculum. We also focus on the 'whole child' and consider different aspects of support we can give, whether this is academic, emotional, sensory, spiritual, physical or behavioural.

From here we consider a range of intervention which may include: resources, extra adult support, music lesson provision, funding for extra-curricular activities, group work, ICT provision, outdoor learning opportunities etc and we tailor specific support to meet the needs of the individual.

The Pupil Premium allocation for 2019 – 2020 is £1,320 per pupil

### Number of Pupils and Pupil Premium Grant Received

Total number of pupils on roll: **198**

Total number of pupils PPG received for: **29**

Amount of PPG per pupil: **£1320**

Total Amount of PPG received: **£38,280 (29 x £1,320)**

Amount carried forward from 2018 - 2019: **£3,479**

Total Amount of PPG: **£41,759**

Aims of spending PPG 2019 - 20	Cost	Impact
HLTA teaching independent and group intervention to increase progress (academic and pastoral)	£16,525	English, maths and nurture groups have run to support children entitled to PPG who have been identified via PPMs. Targeted intervention was planned and actioned or the intervention was changed. Progress not always evident in formal tracking but IS evident in small step everyday learning - see PPM data, discussion notes and -case studies. HLTA has role of PP Champion carefully monitoring individual progress of each PP child.
Forest School Provision	£6,830	Children have developed hands on skills, their ability to work with others on set tasks. There is evidence of PPG children taking on leadership roles confidently and being able to talk about learning. Forest School has enabled PPG children to access the curriculum in new and varied ways.
Music teaching across Key Stage 2 with music specialists from within the Deepings Cluster.	£ 5,400	The curriculum music teaching provides real-life, wider world experience for all children. This expenditure provides children with a great wealth of musical instruments to experience.
Educational day and residential visits	£3,908	Children can take part in wider curriculum experiences that they otherwise may not be able to afford. This includes class trips and sports fixtures. The residential visit for April 2020 was cancelled due to COVID.
Health and Wellbeing	£900	Futures in mind EP support for children in need of emotional and mental health support. Big positive impact on attendance and wellbeing.
Equipment/IT / resources/uniform to support families in meeting requirements of school policies	£2,319	-The school supported remote learning via Education city, Twinkl and other computer applications for homework purposes across the school. Same applications used to support PPG children for catch up and intervention. Some uniform items were purchased as necessary meaning children could continue coming to school.
Music lesson provision to enable entitled children with keen interests to explore and uncover musical talent	£3,000	See above data.
<b>TOTAL EXPENDITURE</b>	<b>£38,882</b>	<b>Carry forward to 2020/21 £2,936</b>

### Summary

At Baston CE Primary School we endeavour to support ALL of our pupils regardless of his/her 'entitlement' to access additional funding. We recognise that many aspects of the above provision will have a very positive impact on the learning of others, who may not be entitled to PPG funding and therefore school budget covers any additional expenditure.
