

# EYFS Summer Term 2 2022 – Oh, The Places You'll Go! – What are our dreams for the future?

## Mathematics

This term in maths, we are going to be counting beyond 10, working on counting patterns, addition, subtraction, doubling, sharing and odd and even numbers.

We will also be looking at space and deepening our understanding of other topics we have looked at.

## English

Our English this term will focus on writing about what we would you like to do in the future. We will be using the book *Oh, The Places You'll Go!* to think about where we would like to go and what we would like to be. Our writing will be built on as we improve our pre-cursive handwriting.

## Computing

In computing, we will be creating some simple stop-motion animations.

## Science

In science, we will look at how to keep healthy. This will concern healthy eating, keeping active, sensible of amounts of 'screen time' and keeping a good sleep routine.

## Religious Education

Our focus question for RE this term is *How do Muslims express their religion and beliefs?*

## Design and Technology

This term, in DT we will try our hand at threading by creating some dream-catchers.

## Art and Design

Our Art this term, will be based on collages as we make pictures with lots of different papers and fabrics.

## Physical Education

This term, we will be developing our ball skills through rolling, throwing, bouncing, catching, dribbling and kicking.

We will also be learning how to play different games and how we can play fairly.

## Outdoor Learning

Our 'Outdoor Learning' this term will feature lots of different problem solving games and activities.

# EYFS Summer Term 2 2022 – Oh, The Places You'll Go! – What are our dreams for the future?

## History

Our history has now finished for this year.

## Geography

In geography this term, we will be thinking about the natural changes in our world including the seasons.

## Music

We will explore the elements in a piece of music and use tuned instruments to make changes in pitch, tempo and dynamics.

## Phonics

In phonics, we will continue to learn our sounds. This includes: recognising the sounds, understanding how to write them, and knowing some words which begin or contain each of those sounds.

## Relationships and Sex Education

Our focus this term is on how we stay safe online and the rules we have for different places we go.

## Money

Throughout the Summer term, we will be looking at where we can keep our money safe in a topic called *Need vs. Want – Plan for the future.*

## Careers

In EYFS, our careers area of focus is the emergency services. This term we will be exploring firefighters; what firefighters do, the importance of them and what it takes to be a firefighter.

## Farming

## Good Mental Health and Well-being

As a way to improve our mental health and well-being, we will be doing lots of different mindful colouring activities.
