YEAR 4 (CURRENT YEAR 3) RESIDENTIAL VISIT TO FRONTIER CENTRE – MAY 2024

We are delighted to let you know that we have provisionally booked a residential visit to the Frontier Centre in Northamptonshire from Tuesday 7th May to Wednesday 8th May 2024

Frontier Centre is run by Rock UK who provide fun, educational outdoor adventure. You can find plenty of information on their website - <https://rockuk.org/centres/frontier-centre/>

The cost of this residential will be approximately £163.00 per child. This includes accommodation, all food, activities and coach travel. We will confirm the exact cost of this residential once we know the final number of children attending. To secure the date we are asking for an initial **non-refundable** deposit of £30 to be made on School Money by Monday, 10th July.

The remainder of the balance, which again is non-refundable, will then need to be paid as per the following deadlines:

£50 by 29th September 2023

£33 by 1st December 2023

balance of approximately £50 by 1st March 2024
