

WELCOME TO YEAR 5

Your teacher is called Mrs Hammond

Your teaching assistant is called Mrs Parkin

Key Information for Year 5

Year 5 is an exciting year. There are lots of roles and responsibilities that you can get involved in throughout the school year.

Have a think about whether you would like to be a school council representative, a member of our Eco Group or even a Play Leader. Taking on one of these roles, is a great way for you to increase your confidence and independence and allows you to get the most out of school life. If you are keen on these or any other roles that are on offer, please let me know.

Educational Visits

We hope to be able to go on visits based on our different topics along with a religious visit at some point during the year. We have already booked a History & Art Educational Visit to Burghley House in October 2025. We are hoping to visit the Space Centre, Leicester in February 2026.

Hint and Tips

These helpful hints will ensure your school year runs smoothly:

- **Ask for help when needed:** Speak to an adult at home or school if you have any questions or concerns.
- **Be prepared to learn:** Get a good night's sleep, have a healthy breakfast, complete your homework/reading, and pack your school bag the night before.
- **Stay organised:** Pack your bag the night before and keep it somewhere you'll remember to grab in the morning.
- **Stay hydrated:** Bring a water bottle to school each day.
- **Healthy snacks:** You're welcome to bring a healthy snack for playtime.
- **Be ready for any weather:** Always bring a coat, even on warm mornings, to ensure a comfortable break and lunchtime.

Timetable

In our school every day is different but a typical day in Year 5 looks like this:

8:45am	Registration & Morning Challenge
9:00am	Reading
9.30am	English
10:30am	Play Time
10:45am	Collective Worship
11:00am	Mathematics
12:00pm	Lunch Time
1:00pm	Registration & Reading
1:15pm	Lesson 5
2:15pm	Fit in 15
2:30pm	Lesson 6
3:00pm	Class Reader
3:15pm	Home Time

You will also have lessons in the following subjects: Religious Education (R.E.), Personal, Social, Health & Economic Education (P.S.H.E.), Science, Computing, Geography, History, Spanish, Art & Design, Design & Technology (D.T.), Music and Physical Education (P.E.).

You will be taught Spanish by Mrs Emery and music by Mrs Young.

P.E.

You will have P.E. on **Tuesdays** and **Thursdays** so make sure you are wearing your P.E. kit in school on those days. At times you may be asked to bring in your P.E. kit and / or trainers, if you are practising for a school sports events. There are lots of ways to represent the school and this year you may have the opportunity to do so in lots of different sports. For example, cross country, netball, football, rugby, cricket and rounders.

Outdoor Learning

Outdoor Learning can happen on any day, so please ensure your child is always ready:

Wellies: Leave a pair of wellies at school for outdoor activities.

Raincoat: Keep a raincoat at school or bring it each day, as we may head outside regardless of the weather.

This ensures we can take advantage of learning opportunities outside, no matter the forecast!

Library

You will visit the library bus on **Wednesdays** and so bring your library book to school on that day.

Homework

Homework is very important. It helps you to become an independent learner and gives your parents and carers an insight into your learning. You will receive homework every full week. Your homework focuses on reading, mathematics and spelling.

Reading

You will bring home a school reading book every Monday. You must read every day for 10-15 minutes. You should record your reading in your Reading Record, and make sure an adult signs next to your record. Please remember to bring your reading book and Reading Record in to school every day!

Spellings

We will introduce our spellings in class on a Monday, but you must make sure you practise your spellings every day at home. There will be a spelling activity for you to complete on Spelling Shed. This will be available for you from Saturday to Saturday. You will have a spelling test every Friday.

Mathematics

You must complete a maths activity on MyMaths every week. This maths activity will practise the maths we are learning in class. This will be available for you on MyMaths from Saturday to Saturday. If you know that you need to practise your multiplication tables, then please use Times Tables Rock Stars to do so.

Your Spelling Shed, MyMaths and Times Tables Rockstar login information can be found in your Reading Record. If you need to have another copy of your login information, contact the office.

Expectations

We expect everyone in our school to be 'Ready, Respectful, Safe'. We celebrate good behaviours and recognise and reward children who go 'above and beyond'. In class, you will receive lots of praise and house points. You may even be asked to display your name on the recognition board in our classroom or even be given a 'positive note' to take home to your parents or carers. During our Celebration collective worship on Fridays, you may receive a 'School Value' certificate, a 'Well Done' certificate, a 'Head of House award' or be named our 'Star of the Week'.

Attendance & Punctuality

Your attendance is very important! Maximum attendance at school provides you with the greatest opportunity to learn. No request for time away from school for a holiday can be authorised. School starts at 8.45am and you will begin learning straight away, so it is vital you are in school on time, every day. Every minute counts when it comes to learning! This also helps you to get ready for the day of learning. Your attendance and punctuality are monitored and recorded every day.

School Uniform

You must wear your full school uniform every day. This includes wearing our school P.E. kit on the days we have P.E. Please make sure your uniform, P.E. kit, coat, water bottle and lunch box are clearly labelled. This will lessen the chance of your belongings being lost or misplaced. You do not need to bring pencil cases to school. We will provide anything you need to learn.

Parents & Carers

Here are a few suggestions of ways in which you can help your child at home:

- Independent **reading** skills are vital to future success and so please do prioritise reading with your child. You should listen to your child read to you, but you can also read to your child too!
- When you are listening to your child read, 'pause, prompt, praise'. Pause to let your child work out words if they get stuck, provide a prompt or 'clue' to help (but not give the answer) and praise your child when they concentrate, and problem solve.
- You can ask a range of questions about your child's reading. The 'five Ws' - who, what, where, when and why - can provide useful questions. You can ask these questions whether you or your child has read. You might ask your child to summarise what has happened in the book or story so far, and to predict what will happen next.
- You may also wish to talk about the links between the book and real life to make the story more interesting and help children develop their understanding of ideas in the book. For example, while reading Cinderella going to a ball, or might discuss the similarities between a ball and a birthday party.
- Your child should be able to complete their **homework** tasks independently. If your child struggles, please do let me know so that I can support them in class.
- You can help your child with their homework, by encouraging them to establish a regular routine and giving them lots of praise for completing their tasks.
- At school, we are focusing on '**ready, respectful, safe**' behaviours at school and finding lots of opportunities to praise and reward your child when they show behaviours that go 'above and beyond' our high expectations. We recognise that it is beneficial for you to know this so that talk about this with your child when reflecting on their school day.

Term Dates:

Autumn 1 Thursday 4th September - Thursday 23rd October

Autumn 2 Monday 3rd November - Friday 19th December

Spring 1 Tuesday 6th January - Friday 13th February

Spring 2 Monday 23rd February - Thursday 2nd April

Summer 1 Tuesday 21st April - Friday 22nd May

Summer 2 Monday 1st June - Wednesday 22nd July

If you have any questions or issues concerning your child, please do not hesitate to speak to me either on the playground or by making an appointment via the school office.
