

Pupil Premium 2017 - 2018

At Baston CE Primary School we know our children well. We track their academic progress carefully and accurately identify areas where each child may need further support to do well across the curriculum. We also focus on the 'whole child' and consider different aspects of support we can give, whether this is academic, emotional, sensory, spiritual, physical or behavioural.

From here we consider a range of intervention which may include: resources, extra adult support, music lesson provision, funding for extra-curricular activities, group work, ICT provision, outdoor learning opportunities etc and we tailor specific support to meet the needs of the individual.

The Pupil Premium allocation for 2017 – 2018 is £1320 per pupil

TOTAL EXPENDITURE	£31,776	Expected carry forward -£96.00

Summary

At Baston CE Primary School we endeavour to support ALL of our pupils regardless of his/her 'entitlement' to access additional funding. We recognise that many aspects of the above provision will have a very positive impact on the learning of others, who may not be entitled to PPG funding and therefore school budget covers any additional expenditure. The impact of this funding will be presented at the end of the academic year.
